Hide N Seek is Winnipeg's most beloved indoor playground for both children and parents. The place is designed to provide a spacious and fun place for children of all ages and operated with high standards of safety and cleanliness. We recognize children should grow up through positive interactive relationships with their peers and various physical activities. We are convinced Hide N Seek is the best place to get all these valuable experiences all year round. Read more Children over 3 years: \$12 Children under 3 years old: \$10 Under 1 years: Free Children over 3 years: \$14 Children under 3 years: \$12 Under 1 years old: Free I've been defined to write a review on the new Hide N' Seek Indoor Playground for some time now, and since the weather has been frigid there's no time like today! First out what noticed first whether Hide N'Seek was the bright, clean appearance and the amount of space inside; of course is brand new I would expect nothing less! Another cool thing about Hide N' Seek is the many playgrounds; in addition to climbing and shooting area there is part of trampolines (upstairs); a foam ball shooting-with-air-guns area (upstairs); two areas for arcade games (main level) a kitchen/shopping area and a small child area! Having three children (ages 3, 2 and almost 1), I really appreciate going to a facility that accommodates a variety of ages and abilities under one roof. All three of my kids had fun playing in the different areas and didn't want to leave as it was time to go! The first time we went to Hide N' Seek I was nervous about keeping track of all three children at once and was worried they would somehow get lost from me and panic would occur, but the second time we visited the playground (as my kids call it), that panic eased. There were times through our visit when my older boys would run out and then come back a little later to check in, but no meltdowns or wounds to worry about. It also relieved my stress to know that they give you and your children a stamp on the way in (it's a series of numbers - your family has all the same numbers); They also check these stamps on the way out to make sure your kids are leaving with you. The only thing I really don't like about Hide N' Seek is the café; I appreciate that they have a café & tons of seating, but the food just wasn't good at all. I found 90% of the menu to be fried and/or unhealthy food (in my opinion) and extremely overpriced for what was. I wasn't thrilled with food options and my kids really weren't either (they hardly ate what I got for them) and the rule is no outdoor food allowed. I really hope the café adds some healthier options for kids (and they may have already). In short, I really liked hide n'seek indoor playground and I found it was a nice place to take kids from 0-5! Have you been? What would you add? 1-3 years \$11 4 + yrs \$15 Under 1 FREE Adult \$3 Remember SOCKS are mandatory to enter the facility. No shoes, no bare feet in the facility. Outdoor Food/Drink is not allowed. Check out our café for delicious menu items! Hide n Seek requires all parents and guardians to maintain the supervision of their children at all times. No strollers in the facility. Waiver is required. The above prices are taxed. We reserve the right to refuse and revoke admission. Guests who exhibit inappropriate or inappropriate behavior towards other guests or staff will be asked to leave immediately without a refund or credit. Re-entering is not allowed. Please respect disease policy. If your child is sick, come when you feel better! Hide N Seek is not responsible for lost or stolen items. We have gift cards for value at your request. Gift cards can only be purchased in the store. Gift cards can only be used Winnipeg location (Front & Cafe Area). Gift cards cannot be used on arcade game cards.
